WHERE
Rustic Elegance
AWAITS

La Massaria is a breathtaking banquet and wedding venue located on Bella Vista Golf Course in Gilbertsville, PA, providing the perfect setting for your next event. Our two unique spaces create a warm, charming environment for you to experience exceptional food and professional service.

Our first floor boasts a stunning bar and outdoor terrace overlooking a beautiful practice green and the golf course first tee. It is the ideal space for your cocktail hour, or intimate events for up to 120 people.

The original stone walls of the farm, dating back to 1802, were preserved to give our Grand Ballroom the look of rustic elegance and can hold up to 220 guests.

YOUR FOREVER
Wedding Ceremonies
STARTS HERE

Our rustic barn stands proudly amidst the sprawling golf course, offering a breathtaking backdrop for your special day. Its weathered wood exudes a sense of history. Outdoor ceremonies can be performed with the barn as a backdrop, or in front of seasonal greenery. For indoor ceremonies, the architectural marvel of our rustic stone walls adds a touch of grandeur and authenticity to the setting. The marriage of these elements creates a harmonious blend of rustic charm and timeless elegance.

Cocktail Hour

EXQUISITE COCKTAILS & CUISINE

After the ceremony, cocktail hour takes place on our lower level. As you enter the venue, your eyes are immediately drawn to a magnificent, sprawling granite bar, elegantly positioned as the centerpiece of the event. Crafted from polished granite, the bar exudes sophistication and adds a touch of opulence to the overall ambiance. Butler passed hors d'oeuvres will greet your guests, offering a diverse selection of bite-sized culinary delights. These hors d'oeuvres will include both hot and cold options, ranging from classic favorites to more innovative and gourmet creations. Your guests will also enjoy Chef's gourmet display of artisanal cheeses and charcuterie, fresh fruit, and garden vegetables.

GET THE *Wedding Reception* PARTY STARTED

Stepping into the Grand Ballroom, guests find themselves in a spacious and airy reception area. The barn's interior is adorned with elegant wooden rafters, stretching across the high ceilings. The rafters, meticulously crafted, showcase the skilled workmanship that went into creating this breathtaking space. Large, picturesque windows allow ample natural light to flood the barn, casting a warm glow upon the reception area. The interplay of light and shadow dances across the room, enhancing the enchanting atmosphere. In the center of the barn, a spacious dance floor beckons guests to let loose and celebrate. The wooden floor is expertly polished, providing the perfect surface for couples to share their first dance. Overhead, rustic chandeliers hang, casting a soft, romantic light upon the dance floor and create a focal point that catches the eye. All of the packages at La Massaria are inclusive of tax and service charges. Our Platinum Package comes with a wedding cake and centerpieces. When you plan an event at La Massaria, you and your guests will experience elegance and romance with exceptional service that will far exceed your expectations.
